

SLAB DESK

Inspired by the archetypal Victorian school desk, this contemporary work station is equally comfortable as a hotel room desk or a dressing table. Made from solid oak, the traditional inkwell is transformed into a cable management hole, and a groove for pens and accessories.

Cleaning Instructions

The wood is treated with a matte lacquer. The product can be cleaned with a damp cloth as required. Avoid putting hot items directly onto the surface. Sunlight may cause discolouration of the timber over a period of time. A good quality polish should be used to remove marks and small scratches and to bring out the shine.
