Tense Pendant Lamp, Ø120

Panter & Tourron

Stretching to over one metre in length, the Tense pendant lamp appears like a soft cloud has floated in. A truly modern construction, its soft Tyvek diffuser represents a material both durable and soft – whilst being 100% recyclable. The flexibility of this paper-like diffuser allows its slim frame to accentuate the cloud like qualities of the Tense pendant lamp. Finished with a slimline LED light source, all components fit into a slim box for ease of transport. A truly modern approach to lighting.

About the designer Panter & Tourron

With a strong focus on research into new formal codes and visual experiences, the Swiss studio of Panter & Tourron works at the intersection of technology, design and society. Material and technological innovation allows for unexpected work that is set to redefine a new vision of luxury. Fresh from collecting the Dezeen Award for their innovative Tense collection, the studio pushes the boundaries of contemporary design today.
