DESIGNSTUFF CREST HOOK SMALL

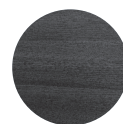

Set of 2

Designed and inspired by the cresting of an ocean wave, the Crest Hook is an elegant and multifunctional item that can be used as a hook, knob or pull. The Crest Hooks classic and round design is sold as a set of two. The Scandinavian designer hooks can transform a space with their minimalist design whilst also offering total functionality. Used in kitchen and bathroom joinery, custom furniture or on a wall, the Crest Hook is the detail any interior space needs.
